Dear Lisa,
Your one of my best friends now. I remember in 5th grade, we weren't so close, but now I think we are great friends. I hope you never move, because I would probably never see you again, and that would suck. It was great having you and York close in science. You better keep in touch (657-4325), like maybe we come to the beach and have a same coke and summer and I hope to see you in the summer!!!!!!!

Lisa,
I'm glad we're real good friends. I hope I'll see you next year in school. Although I'm not sure if I'll be in your classes. I'm not too bright. Maybe we could have some classes together. I'll miss you this summer. Have a good summer. Hope to see you around.

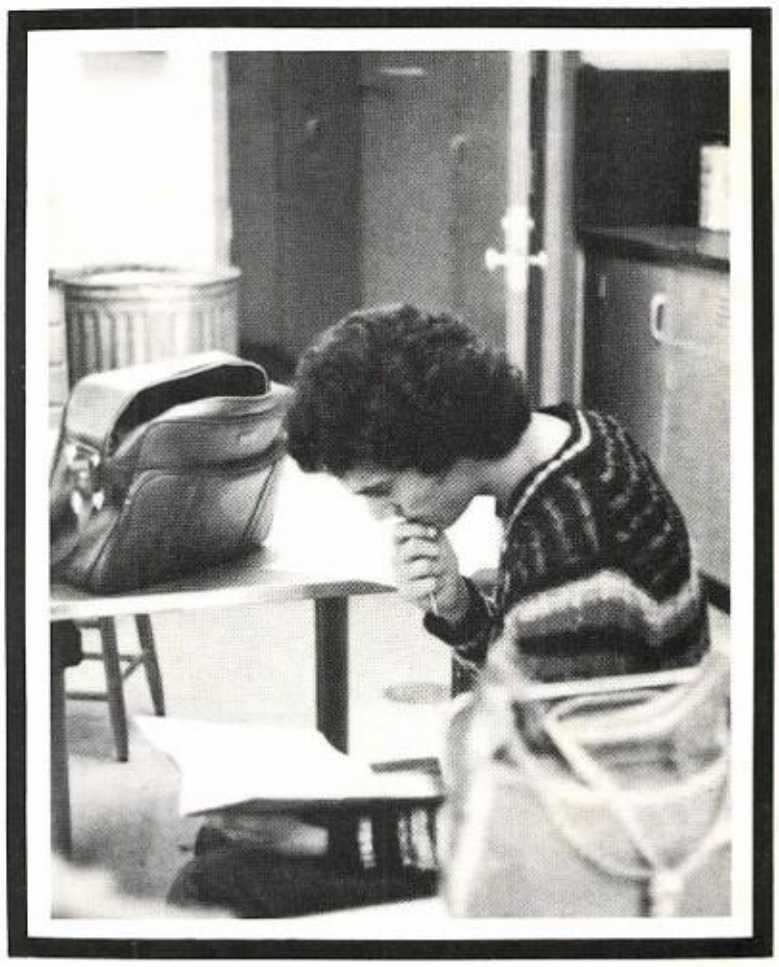
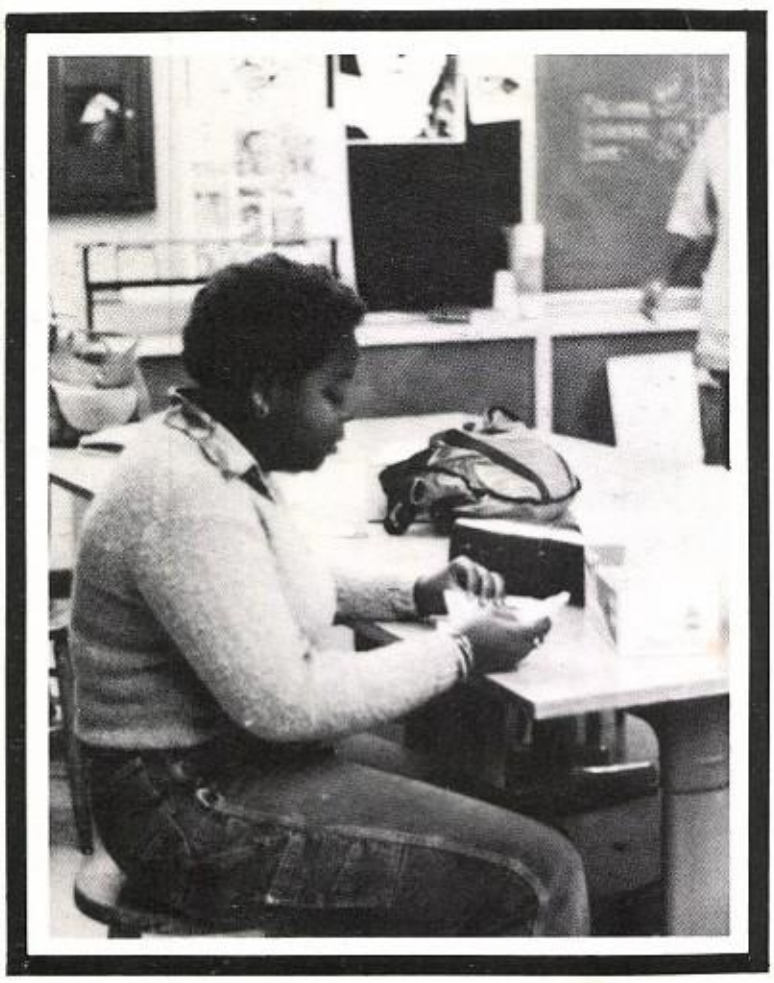
THIS YEAR'S STAFF PRESENTS THE 1981 SAGA

Pictured above, left to right; Lynn Cadle, Teresa Parra, Mr. Franco, Advisor, Kazuko Berry, and Tina Brice. Middle row, left to right; Lisa Karonovich, Gini Myers, Debbe Croneis, Kelly Barton, Lisa Ortiz, Disa Ortiz, and Bonnie Williams. Bottom row, left to right; Marie DeCaccia, Ana Martinez, Livy Hendrix, Editor; Gayle Handy, Lisa August, Dann Caeton, and Patty Roberts.

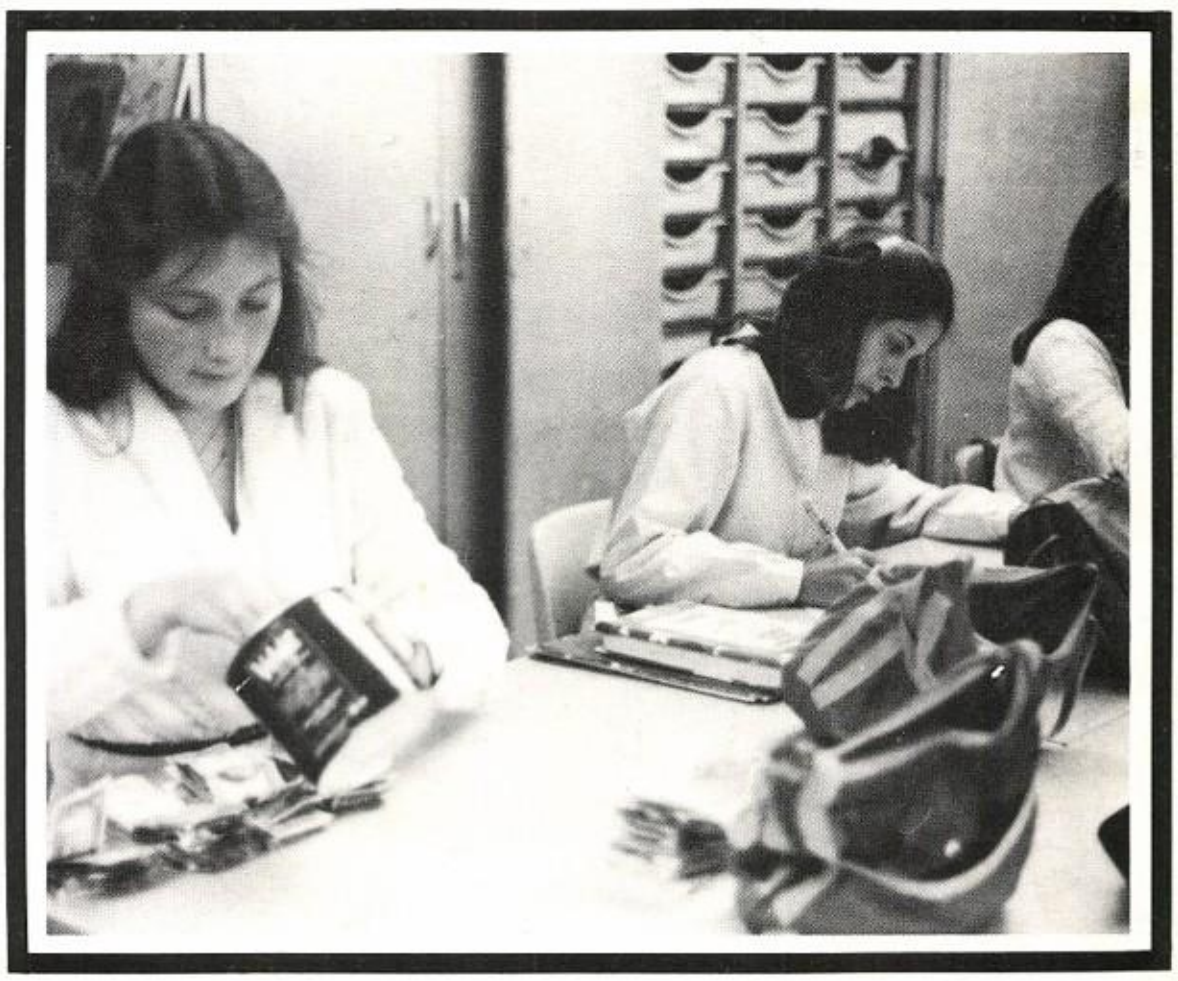
And then she had the nerve to say...



Now to find a catchy headline.



1,2,5,3,6,4, Yep! They're all in order.



Yearbook sales are booming!

The Saga Staff is responsible for the production of a yearbook. The first step in the yearbook's construction is the organization of pages. Each member is assigned certain pages— and a DEADLINE in which those pages are to be completed. Here is where the work gets tough! The Staff member must get pictures taken and plan a layout around those pictures. The pictures one chooses are very important, because pictures make a yearbook. This requires hard work and responsibility from each individual, so that the yearbook can be delivered to the students on time. We hope you enjoy this year's Saga.

SENIOR FAVORITES OF 1981

Through the years senior favorites have been a tradition at Irvington. The seniors select the people whom they feel stand-out in certain areas, for example, "best looking" and "most likely to succeed." This year the Saga Staff printed the ballots and distributed them to seniors enrolled in American Government classes. Seniors not having American Government were encouraged to pick up ballots so their votes were also counted. Voting is done simply on a voluntary basis.

After a week of decision making voting was finalized. The ballots were then returned to the student activities room where they were then counted by Mrs. Morgan. The results of the voting were kept secret until the release of the yearbook.

The results of this year's senior favorites were significant in that the recipients were varied and unique. We in the Saga Staff were quite happy with the results of the poll. At this time we would like to thank everyone who took time from their busy schedule to have their pictures taken.

Lisa;

We have been friends for a hell of a time, (a long time.) Just because I moved to the sticks doesn't mean we still cant [redacted] be friends. We had some excellent times together, even though we got in trouble half the time. Remember all the parties we went too. It was great. I hope we can have some fun in the summer. You'll have to come down to my house and we'll go party and go to the beach. I hope you get whatever you want in life! Stay off the drugs and stay sweet as ever. Hope we see alot of eachother in the summer.

"ACDC Rules"

Funny! Are you all wondering why there is a page in the middle of the yearbook with a bunch of words on it?! Well this is the Editors page. The whole yearbook is different so whats one more thing changed. Like they say "Variety is the spice of life."

First off, thankyou Mr. Franco for giving me this job. I was a little scared in the beginning, it was a lot of responsibility, but a challenge that I enjoyed. Only one person can be Editor, but the task of it has everyone on the staff involved. I didn't know what to expect of the staff as a whole, but I was surprised to see that this year because we were all so different. We had to get to know each other, learn to work together and help each other out. In my opinion, I everything turned out as well as it did and I just want to say that I'm proud of the staff as a whole!

Mrs. Morgan, Mrs. Blum and Mrs. Trabookis, thanks for being great friends to me. You all three helped me in the areas I needed support. Thanks for all the smiles when I asked for all the favors.

Randy, without you we wouldn't have a book! I hope we didn't make you too crazy! I knew I could count on you for anything needed. I'll miss you!

The class of 1981! Well we are definitely eccentric. We always seem to be original. I hope everyone likes this yearbook, there are a lot of changes, things done differently, but it's a one-of-a-kind.

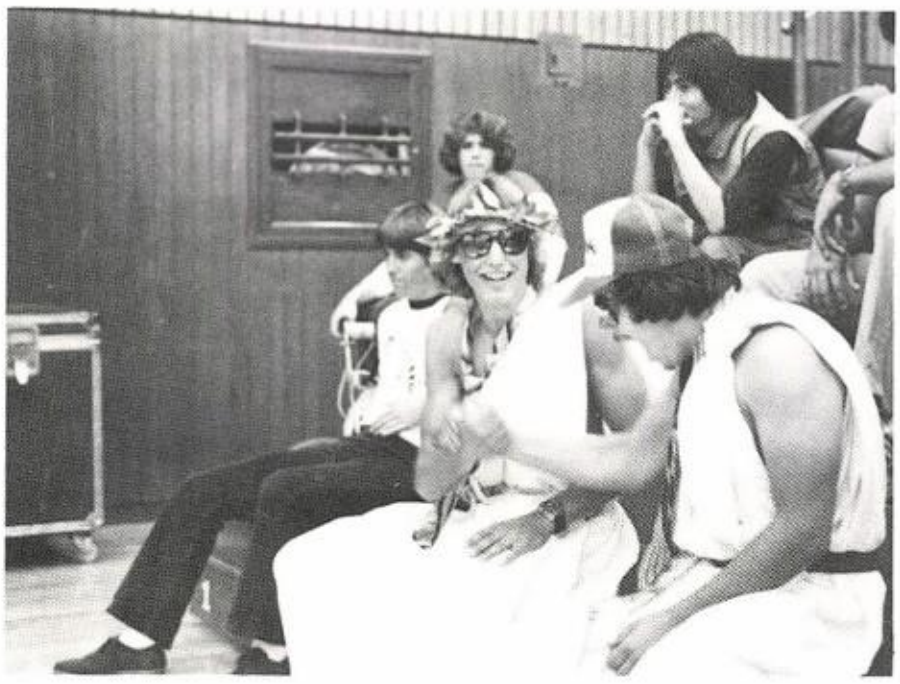
SENIORS GET RADICAL!



Toga party? Ya man!

You put your right foot in. You put your right . . .

Will the real statue please sit down.

Hail Ceasar!

"Radical", is the word for this year's seniors as they won first place with their theme, "Radical Romans". Many seniors attended toga parties dressed in sheets to raise the senior spirit. Their main chant was "TOGA, TOGA"! Using the colors Green and Blue, the seniors decorated the hall and courtyard. They used several props such as pillars and chariots.

On Tuesday, October twenty first, the seniors took second place in the tricycle race and bottle sucking contest. On Wednesday, the seniors took second place in "Human Sundae" and joining up with the freshman, they won both volleyball games.

I've got my top hat.

The vogue woman!

Hail! Hail! The gang's all here!

"The Few", "The Proud", "The Juniors", were some of the many slogans the juniors used on their posters, during spirit week. Their theme was the Armed Forces and was demonstrated well with the colors mud brown and navy blue. The courtyard decorations consisted of colorful posters and trenches made with sandbags. Many juniors participated by dressing up in army, navy, and other military uniforms. Competition was tight between the seniors and juniors, as the seniors won by just a few points over the juniors.

SOPHOMORE SPIRIT WEEK

The Sophomore Class chose "Sports Spectacular" as their theme. They decided on the colors Yellow and Red to decorate their assigned section of the hall and courtyard. The center of their bench was made into a small football field. The bench itself resembled a race track.

The President of the Sophomore class was Ron Anthony, and the Vice President was Michelle Shuck.

OCTOBER 23, 1980 FRESHMAN

The Freshman Class of 1984 chose "Hillbillies" as their theme. They decorated the halls and courtyard with the colors Turquoise Blue and Orange. The center of their bench was an old-fashioned still. They sold balloons to their classmates that had "Freshman Feud" written on them.

This years Freshman Class President was Pedro Rodelas, and the Vice President was Kim Siqueria.

This years Homecoming Rally which was held on October 24th, was full of excitement and spirit.

The freshmen did their skit to the theme of "Hillbillies". Following the freshmen were the sophomores showing their sportsman-like spirit with their "Sports Spectacular" skit. FROSH-SOPH FOOTBALL

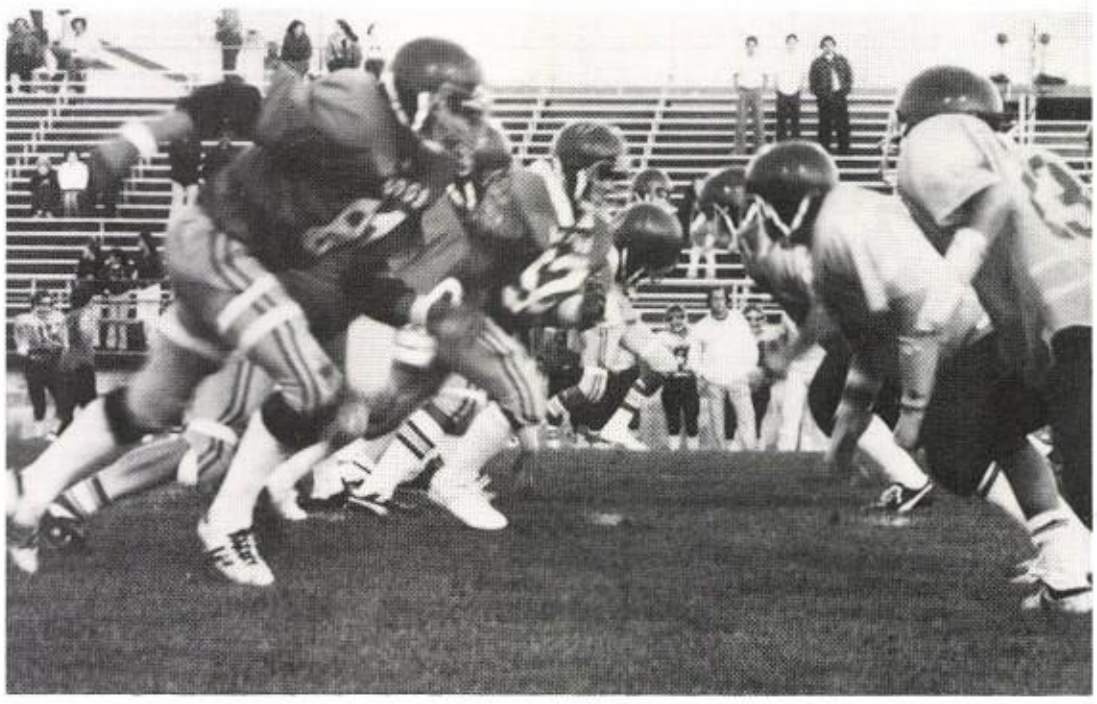
All tuckered out!



Hold that line.

Goin for that touchdown.

This years Frosh-Soph football team had a rugged season. They were young but stuck in there until the end. Leading the team was Coach Bill Caprassecca and Asst. Coach Al Huckaby. The players this year were Todd Cramer gaining over one-thousand yards, along with Sean Montoya and John Mitrick. Most of the team will be returning next year adding success to both J.V. and Varsity teams.

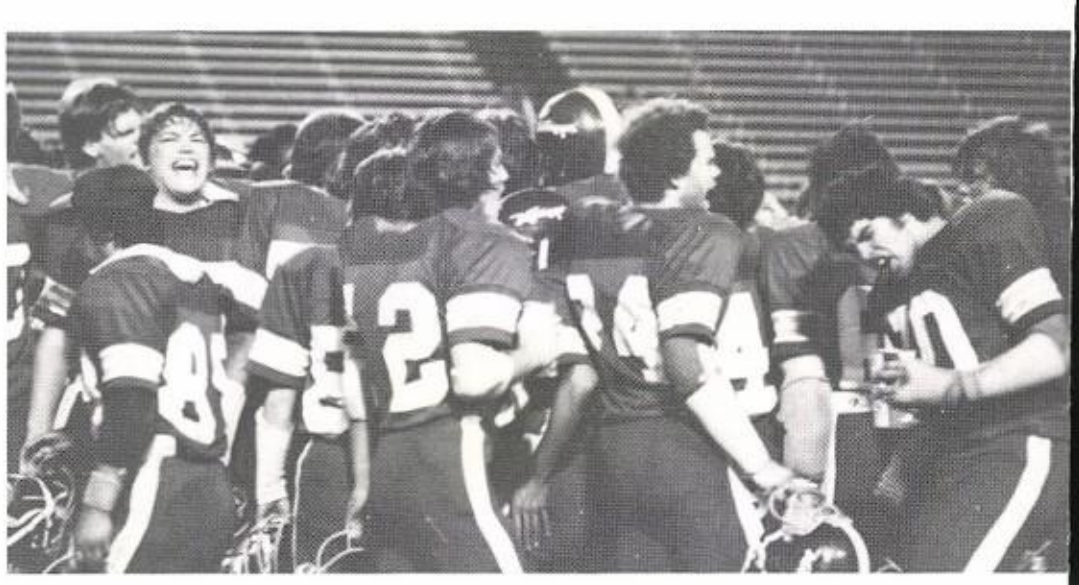
VARSITY

According to Coach Gary Miller this years Varsity Football team, though quite young, was very competitive and exciting to watch. The four wins, six losses record was a bit disappointing but they did play four teams in the top ten in the East Bay and lost three games by a total of eleven points.

The team was led by senior co-captains Mike Schanen and Kyung Lee. Although we are losing some fine seniors, next year, the Vikings will have twenty-five returning lettermen. Among those returning will be all-league selections Chris Knight and Scott Garner. This years squad has laid the ground work for a strong team next year.

Just warming up!



Good game Vikings!

Run Tim, run.

FROSH-SOPH BASEBALL

This year's squad consisted of twenty-six players, but unfortunately, after final cuts were made only eighteen players remained. With the pitching of Bret Delehoy, James Barker and Dave Becker, defense was very sound. The offense, with hitters like Bryon Fink, Brent Fink and Matt Baldini balanced the strong defense. The team posed an agressive threat in the M.V.A.L.

BOYS J.V. BASKETBALL

The J.V. Basketball team was coached this year by Phil Rockey. The team was right at the top in both their defensive and offensive averages. The team captains were Scott Pisle and Randy Palmer. The pre-season record was seven wins and two losses. This years team was made up of two freshman, six sophomores, and four juniors. The average team members height was 5'10", and the tallest player was 6'3". Players singled out for their good sportsmanship were Tim Battaion, Grable Ramirez and Ray Thatcher. Coach Rockey feels the team has a very good chance for the M.V.A.L. Championship, although he said it may be difficult being the returning Champs.

He felt the players worked very hard and played like champions.

Make that basket Dean.

Go Vikings!!!

VARSITY BASEBALL

This year's varsity baseball team had brains as well as skill. Coach Bill Sinnott was fortunate in having returning players such as, Mark Orrock, Lyle Nevels, Don Harman, and James O'Brien. With their knowledge the team wasn't lacking in experience. With the hitting of the above mentioned players and that of junior, Joe Valentine the offense was well in line. Defensively, Scott Garner who played second base and Danny Guerra who played short stop, the two posed a fast threat to anyone who hit the ball their way.

Pictured above, left to right, top row; Gayle Handy, Kerry Richards, (stats), Bob Baucom, James O'Brien, Jeff Armstrong, Mark Orrock, Don Harman, Joe Valentine, John Bader, Coach Bill Sinnott, Lisa Karonovich (stat). And it's a hit

O.K what's going on over there!?

This year Varsity Soccer Team was very strong. Returning Varsity Soccer players were Steve Yoshinobu, Marshall Ranger, Duke McKay, Fred Manriquez, Ken Silvey and Eric Garcia.

According to Coach Bill Sinnott, the team had two freshman players, Alan Bailey, as sweeper and Pedro Rodelas as goalie. Eight sophomores; five juniors; and four seniors rounded-out the squad. Offensively, Eric Garcia and Fred Manriquez led the way. On defense, Marshall Ranger and Steve Yoshinobu guarded the net. Jim West at stopper gave strength in the middle. Controlling the mid-field was Darris Larsen, Duke McKay, Kurt Hickam and Dominic Dutra.

The team raised money by selling candy dishes, sponsored a juggle-a-thon and participated in paper drives. The money raised went to the Irvington High's Soccer Program. The program then bought balls, uniforms and practice jerseys.

The Junior Varsity team was a good group of young men. They are a nucleus for next years Varsity Soccer team.

The 1980-81 was a building year. But never count a Viking out!

With the return of 1980 stand-outs Rob Harer, Lon Lawhorn, Matt Swanson, combined with a pool full of newcomers; such as early stand-outs Bill Goff, Jeff Harris, Jamie Smith, and Rob Kerrebijn the 1981 season was no exception to the rule of "Champions at Irvington", according to Coach Whitmore.

All were looking forward to a good showing at the N.C.S. championships. Junior Richard Saint, Sophomores Craig Musci, Chris Deming, and also freshman Jeff Bills and Neal Weeks are Irvington's future standouts. With nine returning Varsity swimmers, this years team was one the M.V.A.L. had to respect.

GIRLS J.V. BASKETBALL

This years junior varsity team was a very spirited and enthusiastic group. For many it was their first experience on the hardwood and a great learning experience.

The Varsity group will be well supported in the years to come from this fine young team as they improve their skills. Whenever a team plays the Irvington J.V.'s they know they're in for a battle for the entire game.

The veteran players returning from last year were Theresa Leyva, Kim Barker, Laura Hollenshead, Caroline McKernon, and Eileen McLain. Coach Tierney said he expected the team to do very well even though it was very young and inexperienced. He felt the areas that needed extra work were third base, catching and pitching. The strong areas were hitting with Theresa Leyva and Laura Hollenshead, and speed with Michelle Knowles and Tina Houston. The general opinion of the players was that they would take the M.V.A.L. Championship, making it the sixth victory in the last seven years.

Needless to say, Santa was very upset, but he becomes reconciled when the children see the error of their ways and celebrate Christmas in its true spirit. The children make amends with Santa by giving him a present.

In exchange for his freedom, Hero's slave Pseudolus promises Hero that Philia will be his bride. To do this, he tells Lycus that Philia has the plague and says he will take care of her so the others will not be contaminated. This causes complications between Miles and Hero.

ADMINISTRATION

Webster defines courage as "that Quality of mind which enables one to meet danger and difficulties with firmness."

Quality of mind implies that courage is something that is within each of us; thus it is something that is different for every person. Something that is seen as a danger or difficulty for one person may be easy for another. Courage is not an act of heroism on the field of battle. That act might be more fear than courage — an act of self-preservation. For some an act of courage might simply be to speak before a class or ask a girl for a date. Some need courage to face a test in the class that is difficult for them . . . or to face their peers when their beliefs and standards are different from their own.

The greatest courage may be displayed when we stand up for and defend a principle that we believed in regardless of pressure and harrassment from our peers.

Courage is something each of us posesses. It is critical that we use our courage for just causes and the betterment of ourselves and others.

Come on over here and say that

I know this will pay off

Daddy but its my balloon

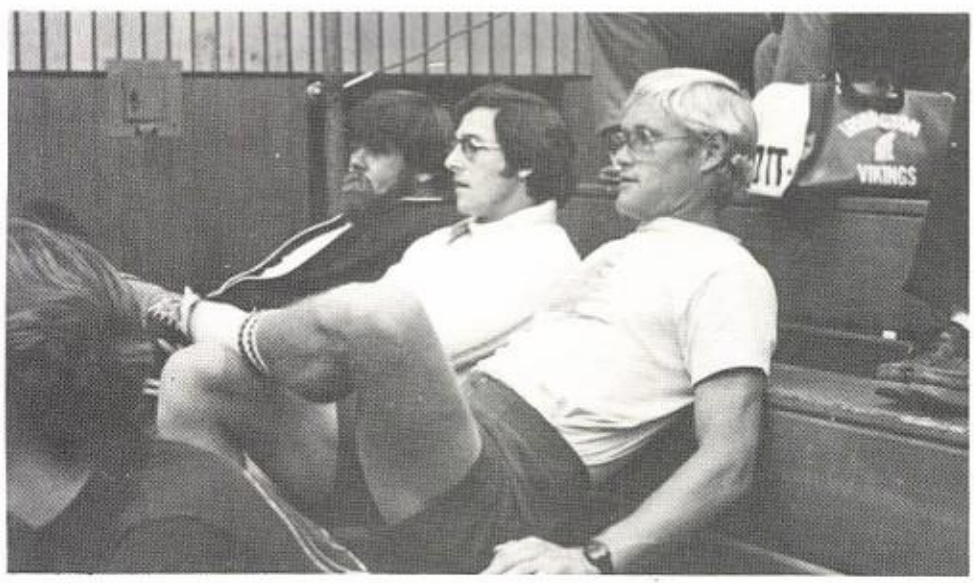
A match made in heaven.

Look, I wear Underalls.

CAMPUS LIFE

CHEESE

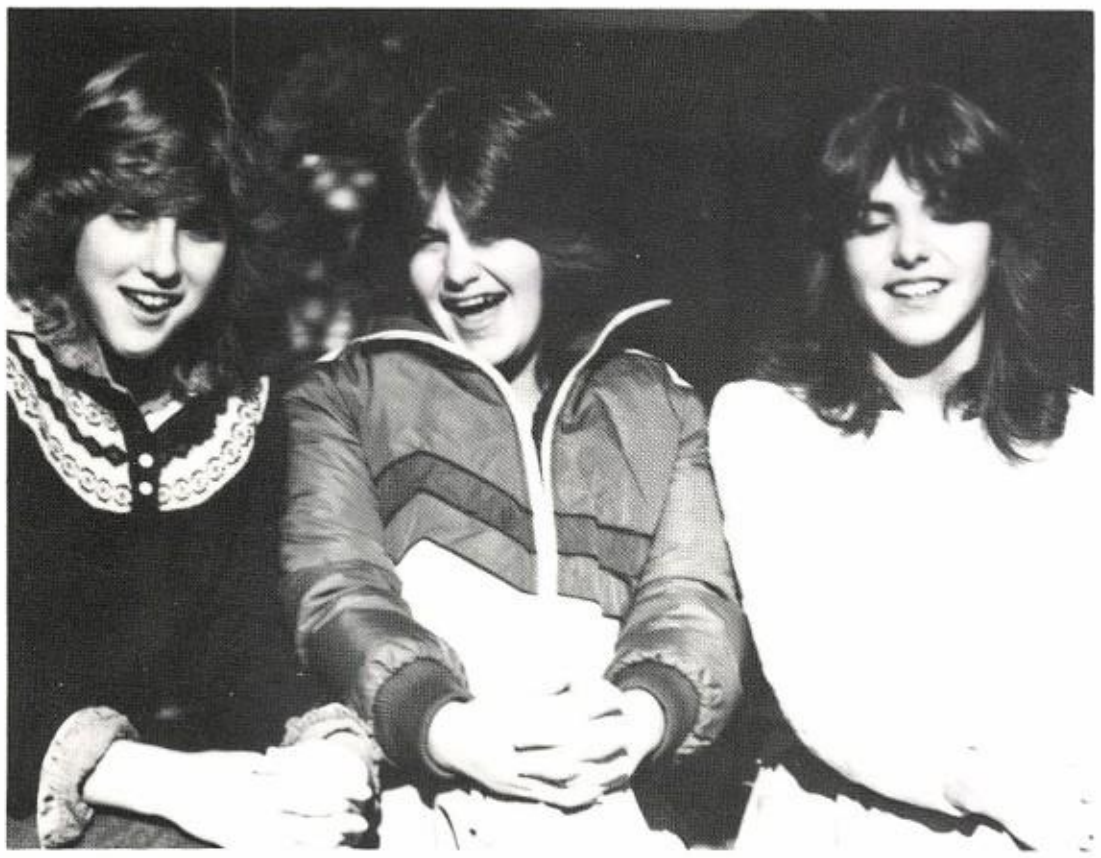
See, we all use Ultra-Brite.



Three Stooges.

CAMPUS LIFE

Hey, get out of my face!

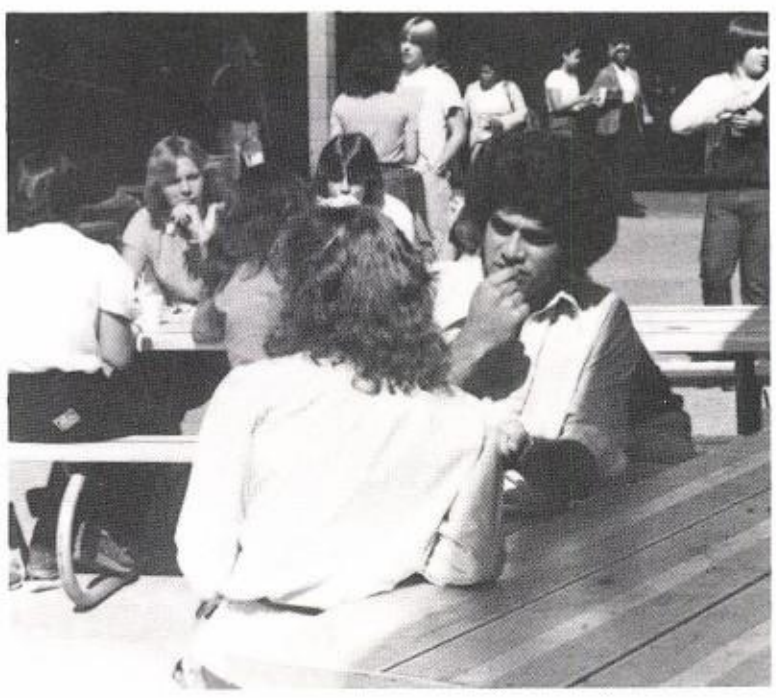


"Charlies Angels"

Bench Bums!

What are you looking at?

Give me that!

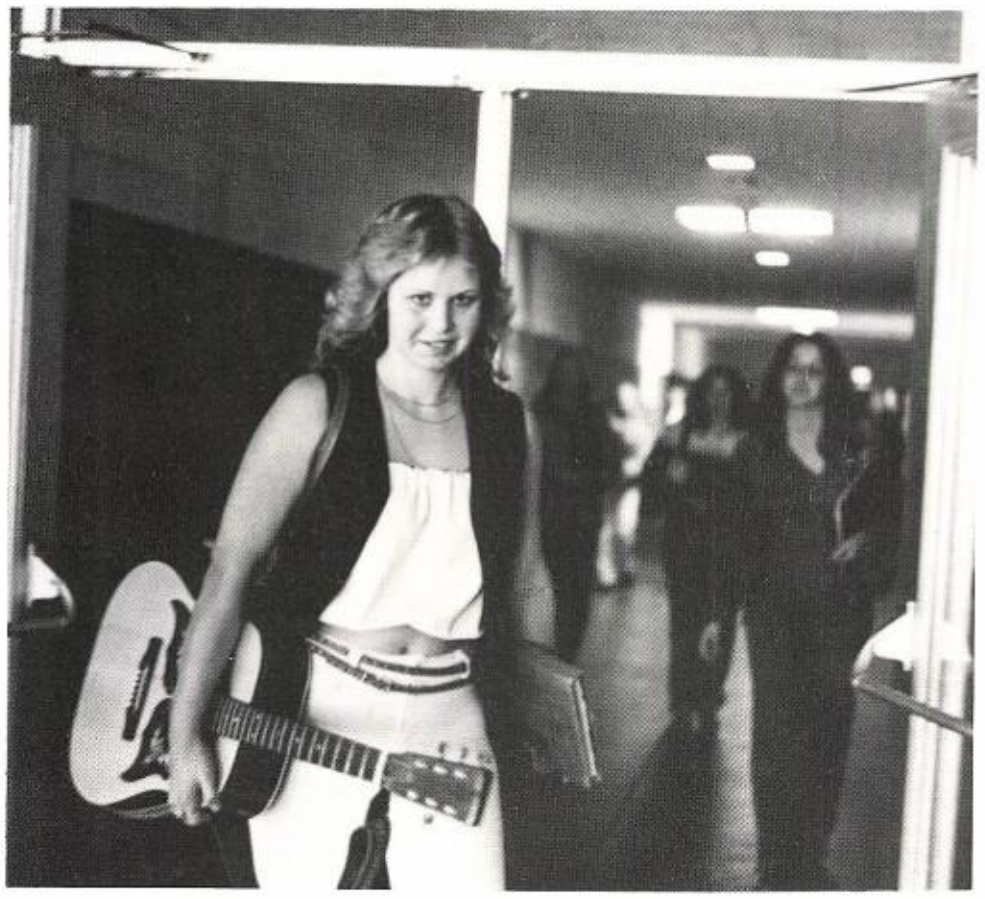


Want some?

Hi There!

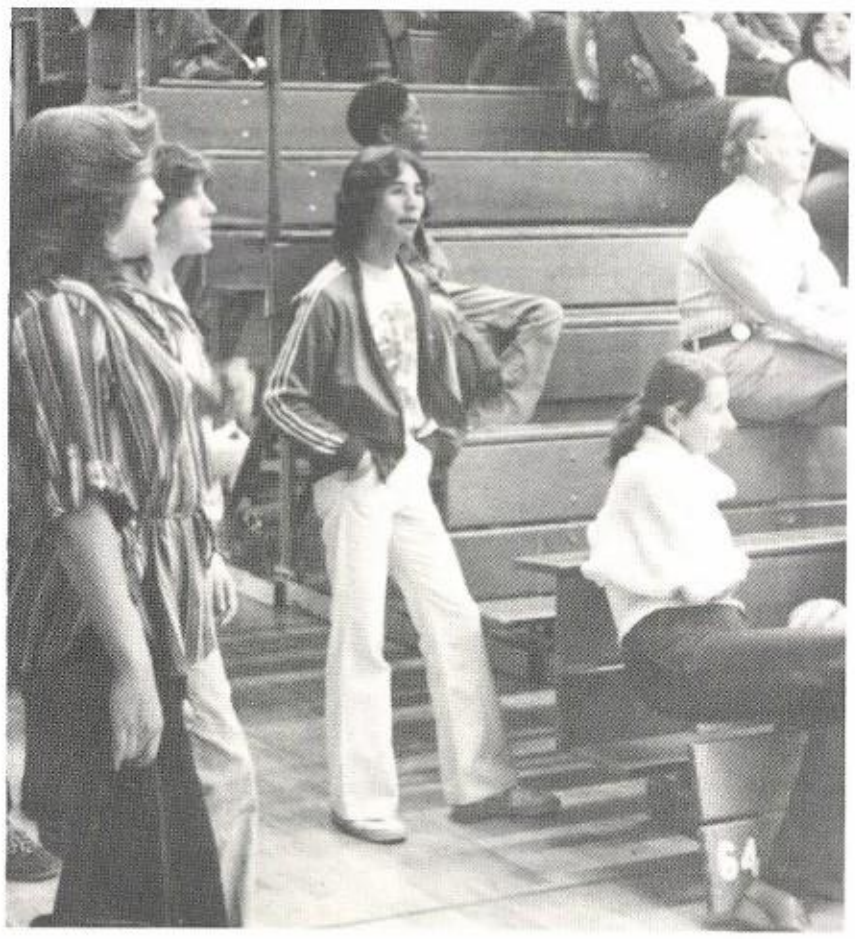
Honest, I don't have a class now!

That tickles!

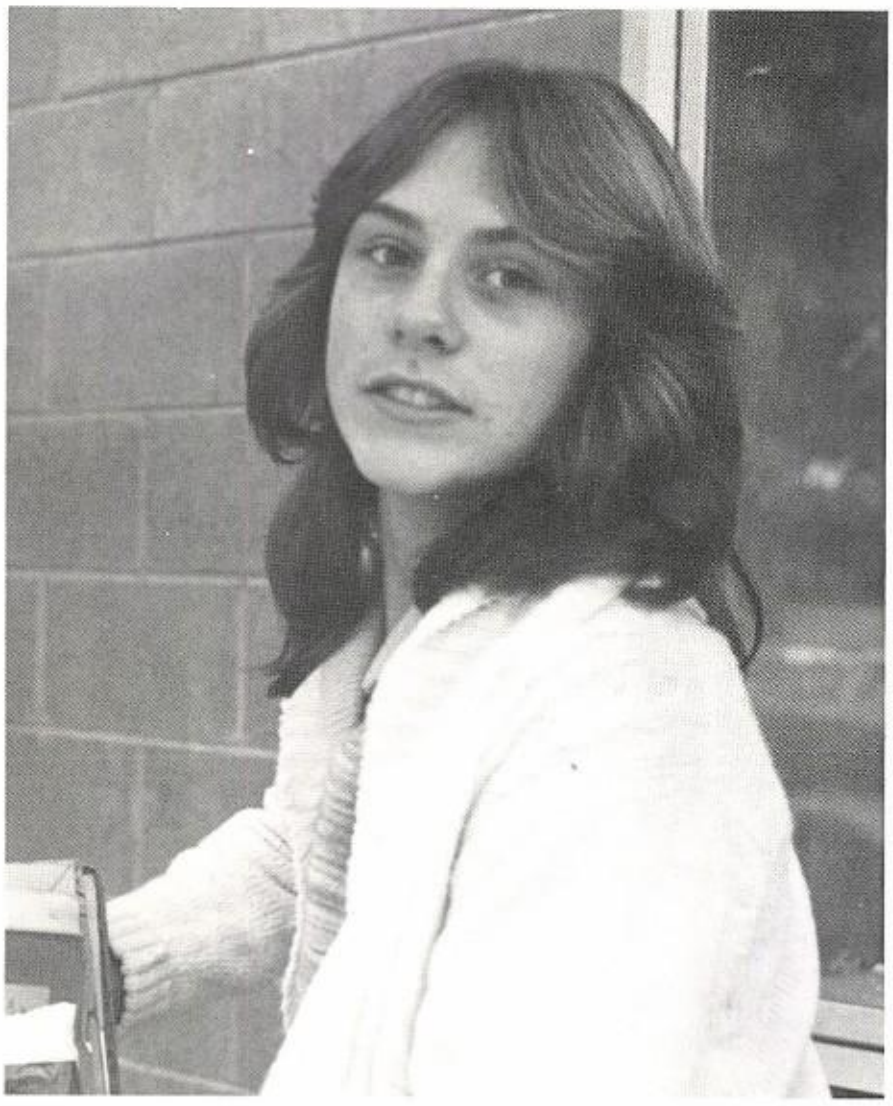


Me and my guitar.

Always Hangin'!



What are they doing?



What do you want now?

WOW! This is interesting!

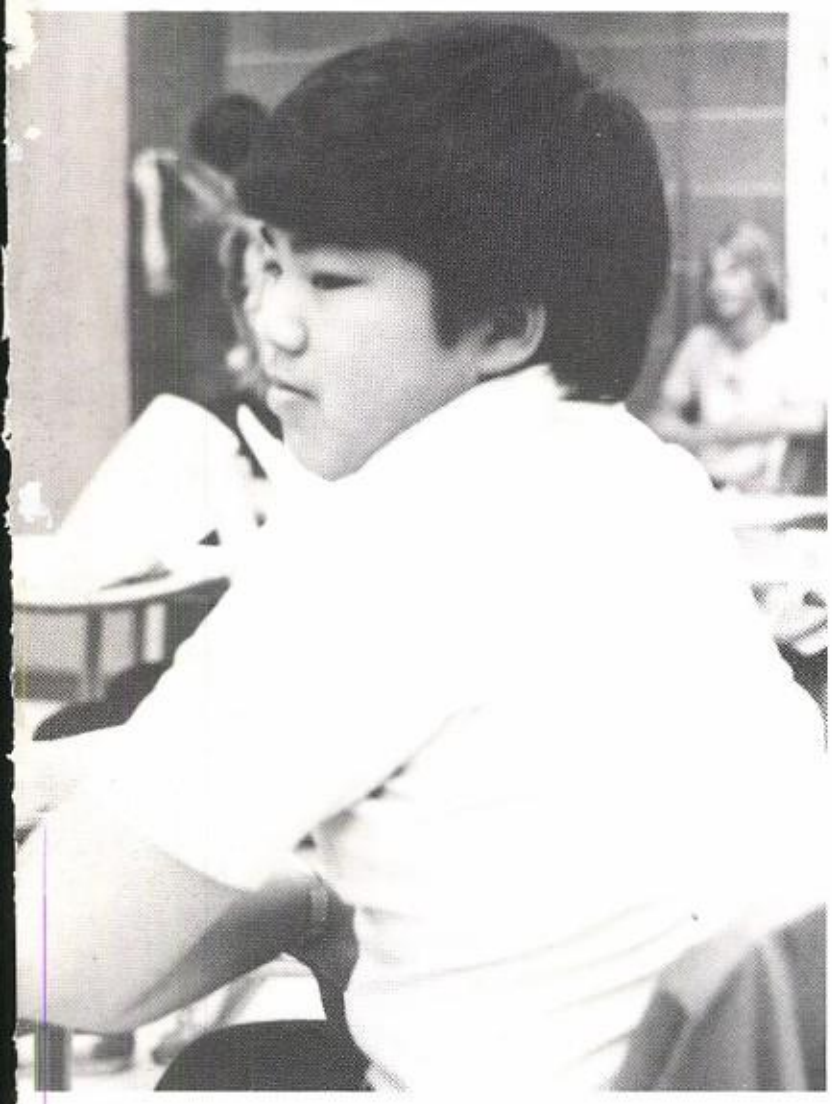
I'm so cute.

Who's that?

And you know what else?...

WAIT! Let me fix my scarf!

Look they're taking our picture.



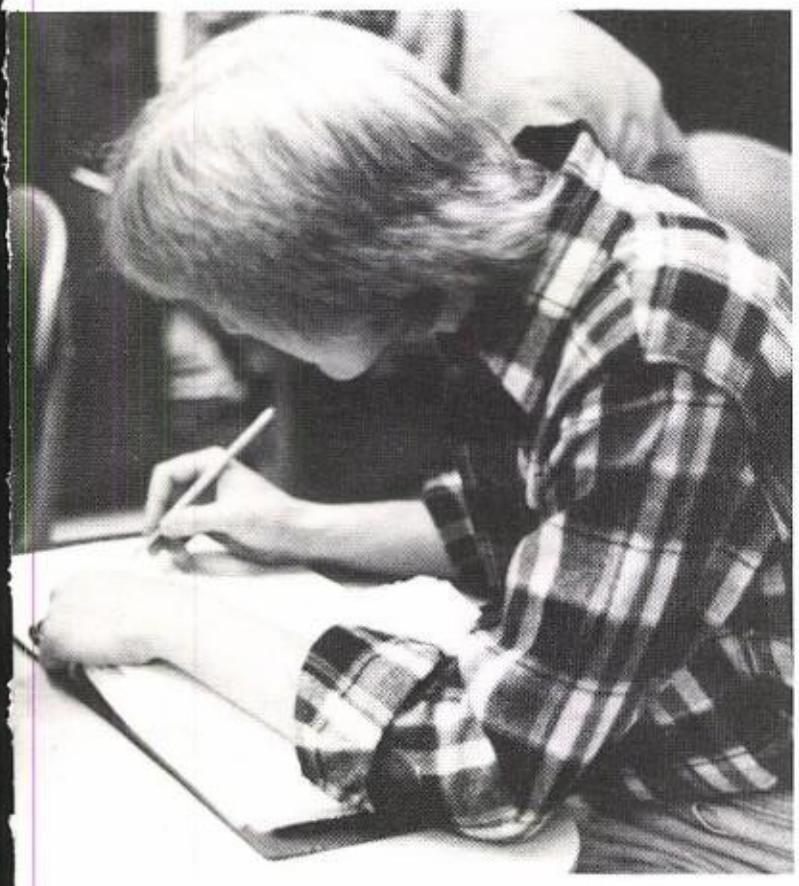
Keep your eyes on your own paper.

Life's a drag!

The jock woman.

UH OH!

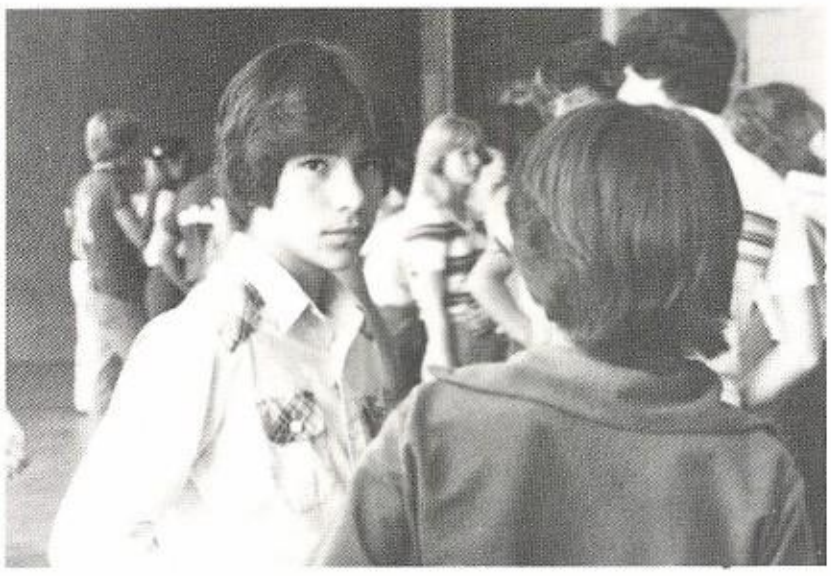
CAMPUS LIFE



Work, Work, Work!

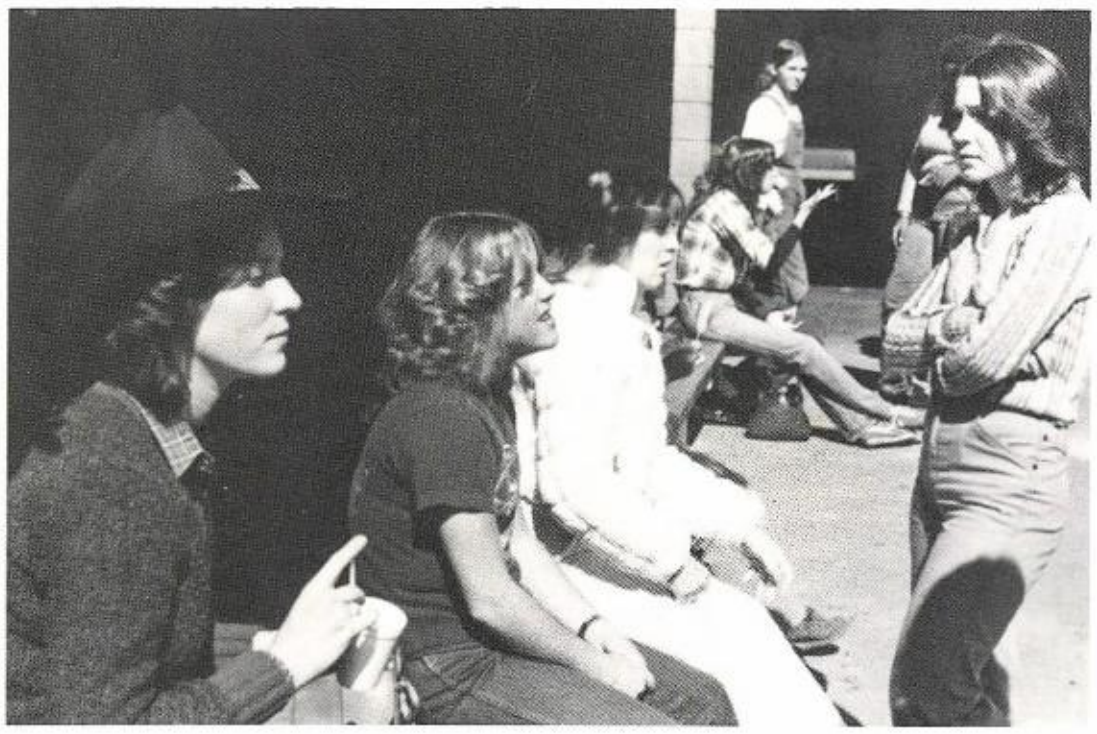
Are you serious?

I'm going to be sick.



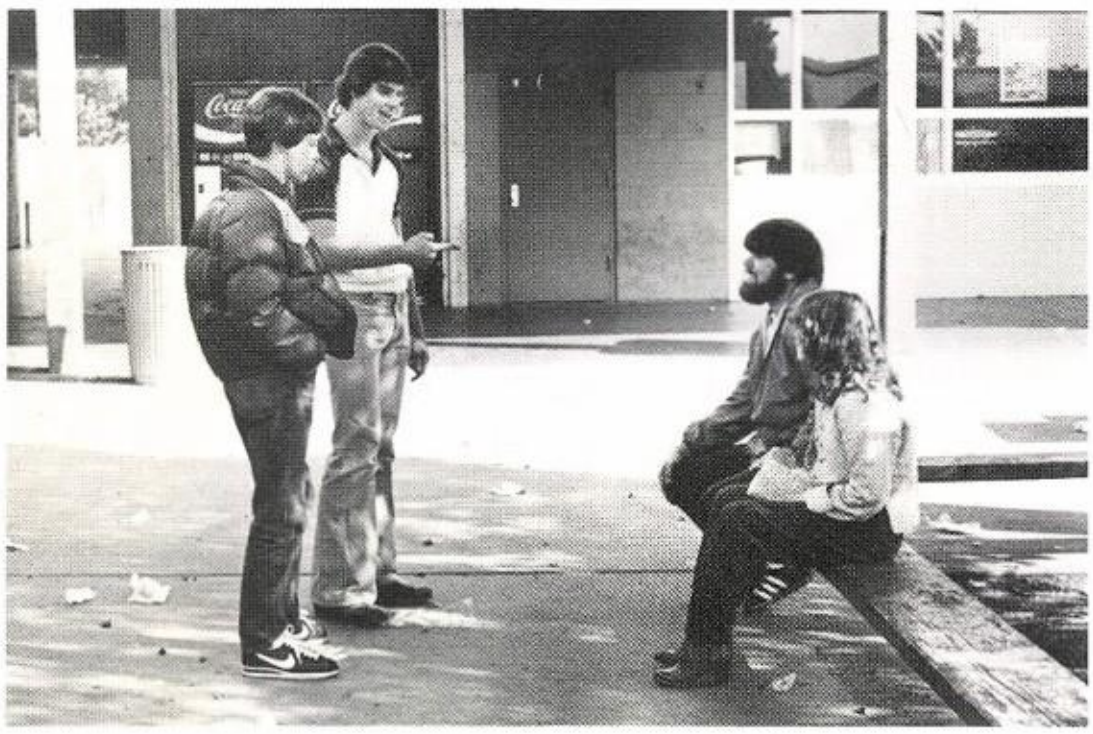
Such a ham.

CAMPUS LIFE



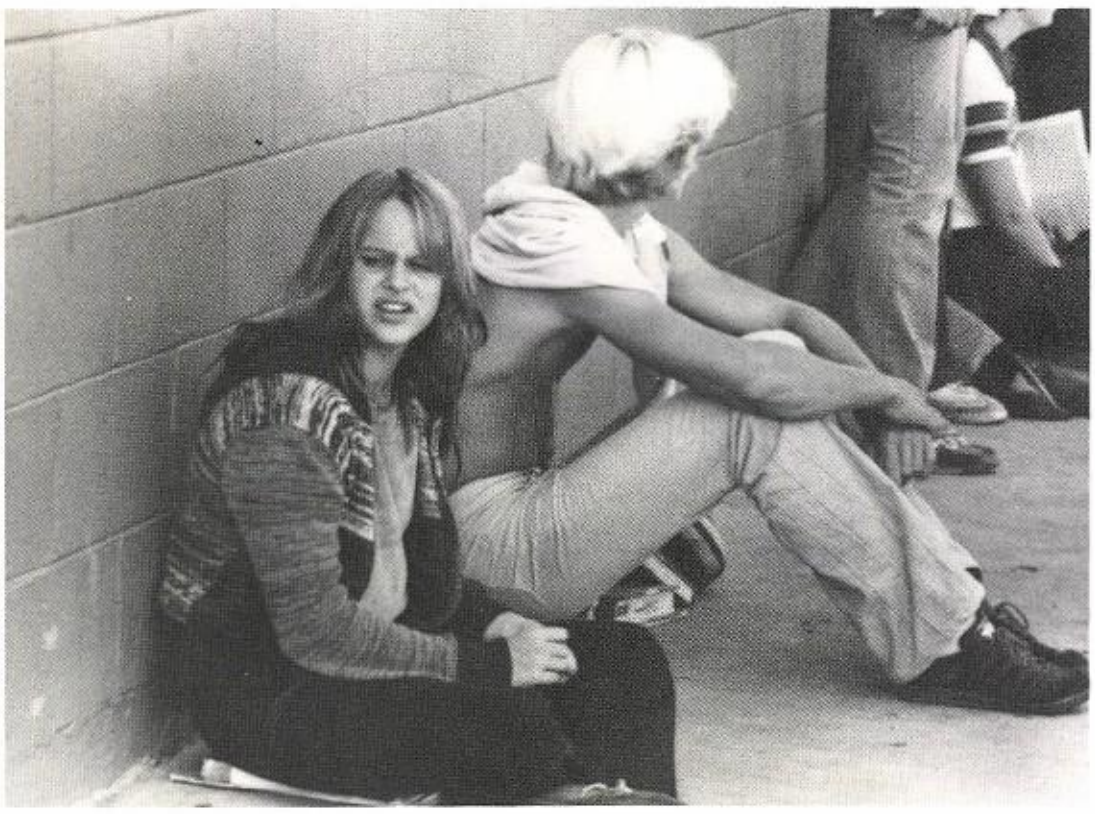
What's wrong now?

Are you kidding?

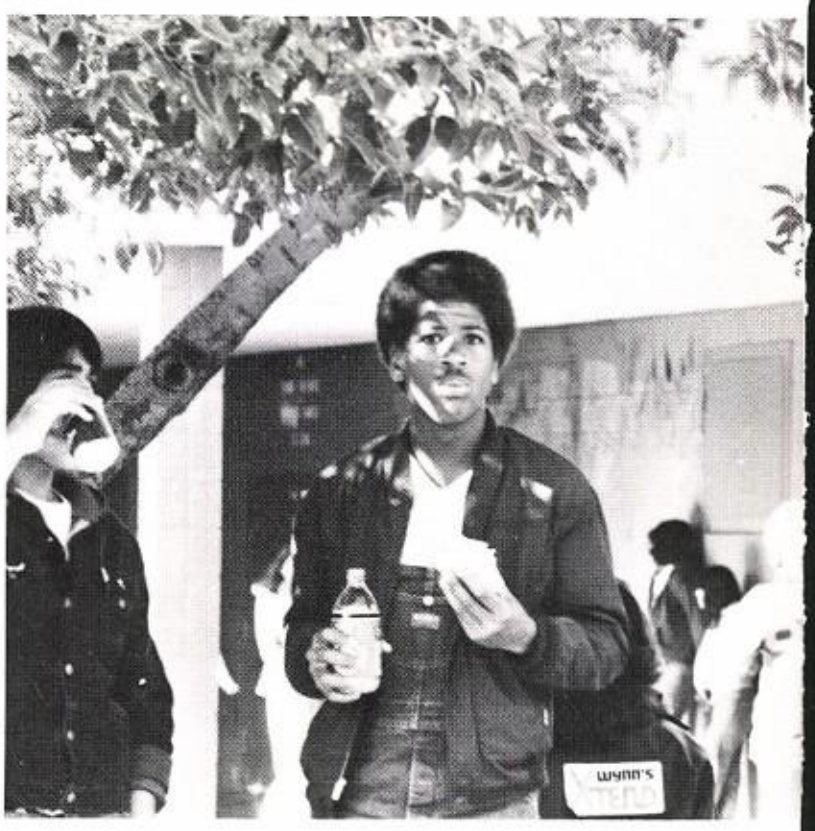


Now you listen to me!

I think he's shy.

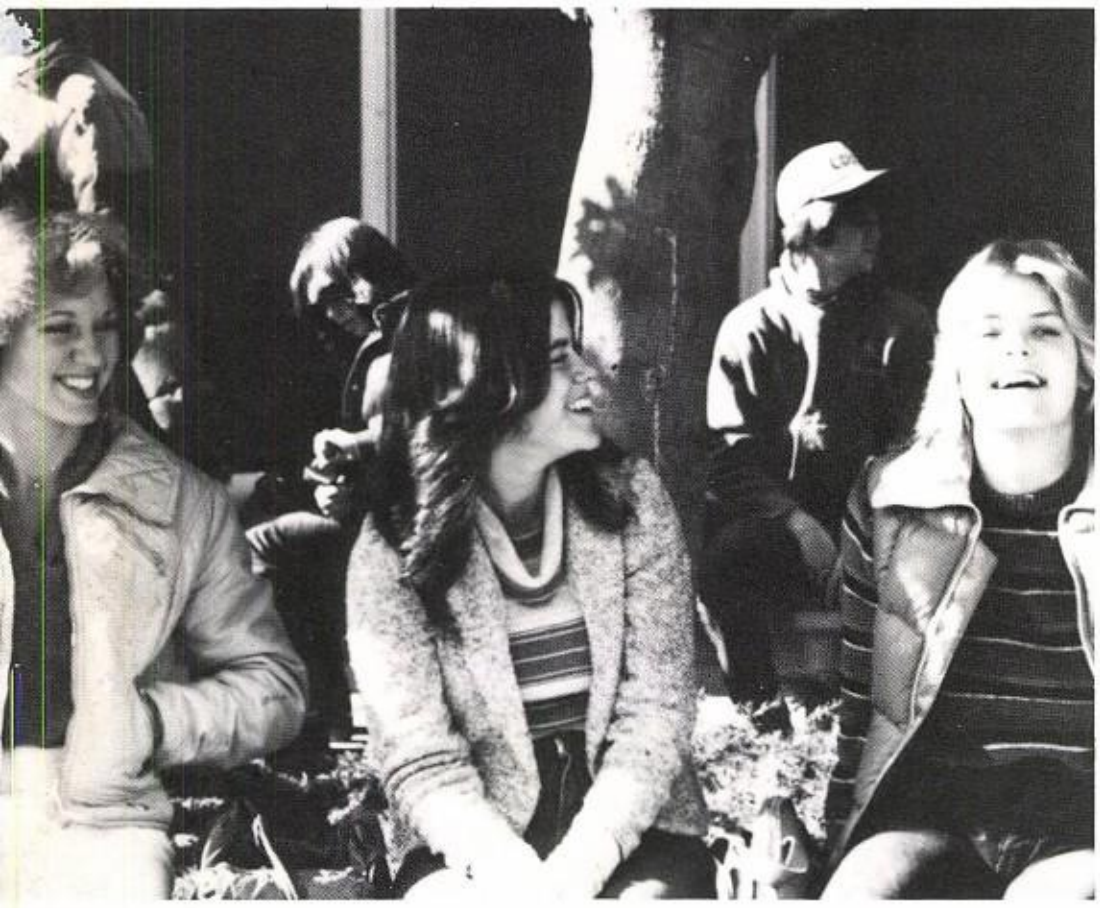


What's that smell?



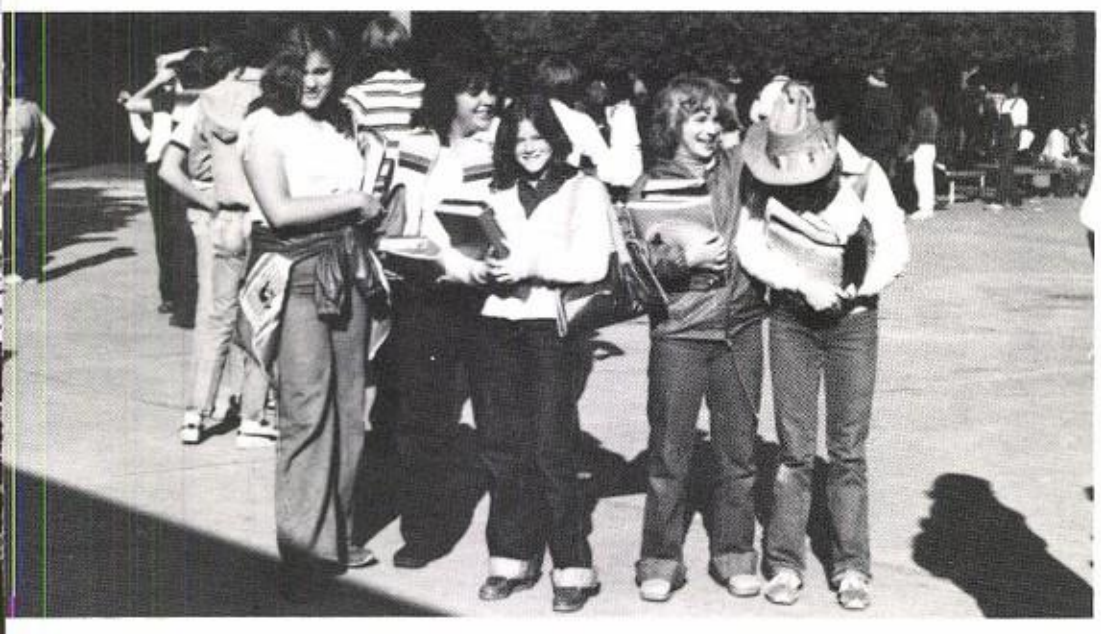
Who me?

CAMPUS LIFE

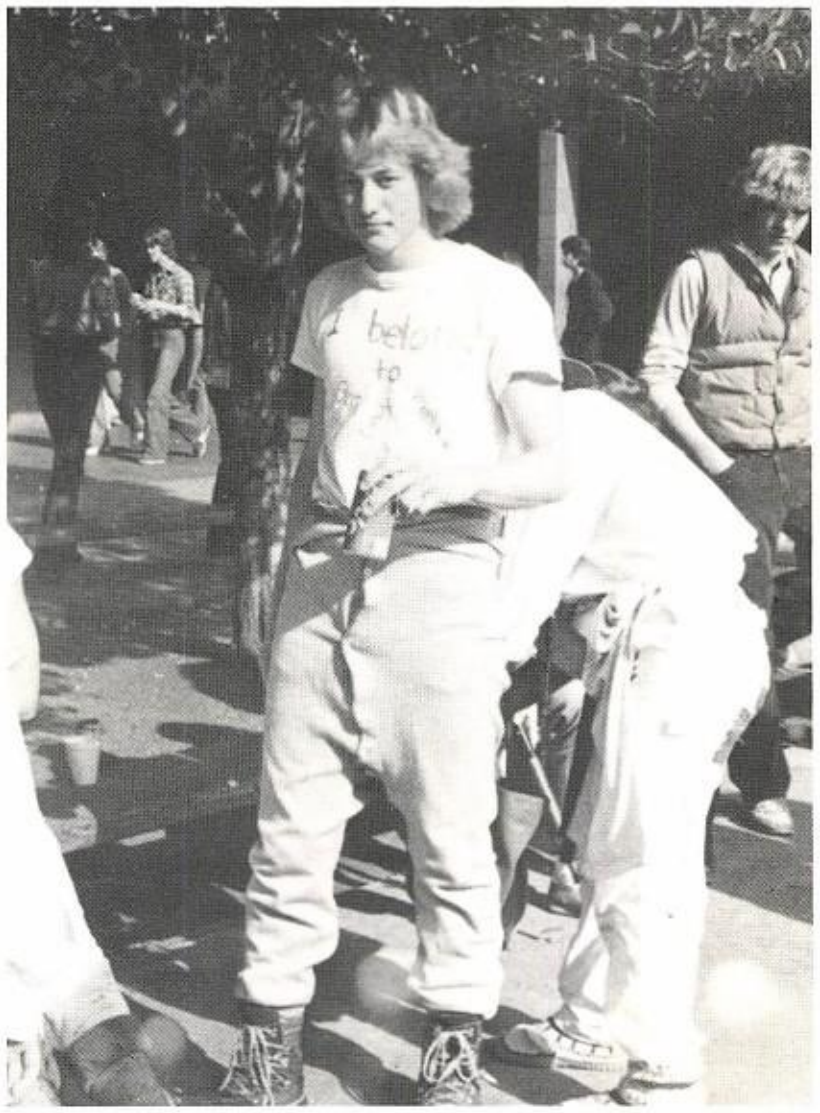


It wasn't that funny

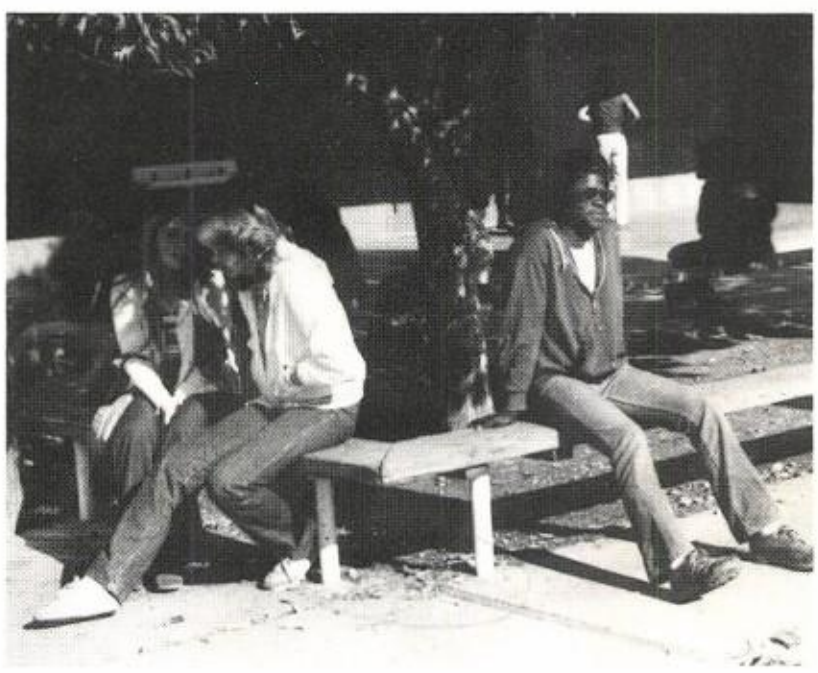
My chauffeur, Jim



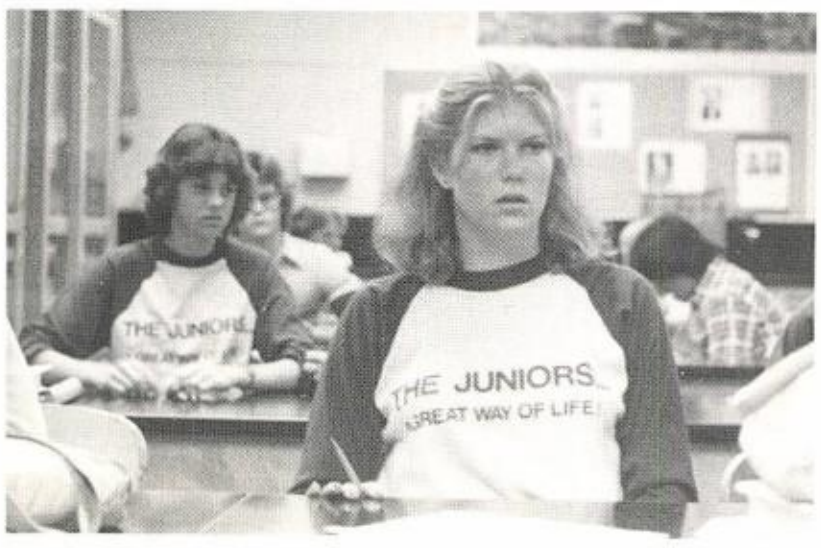
The perfect students



These **are** my good clothes



How exciting.



You've got to be kidding
